Italian Heritage & Culture Committee of New York, Inc.
25 West 43rd Street, 17th Floor
New York, NY 10036

Dear Friends:

I applaud the Italian Heritage & Culture Committee of New York, Inc. for their dedication and commitment to their organization's mission. I would like to recognize the hard work that went into organizing this year's theme: a series of online discussions about Italian screenwriter, Federico Fellini, commemorating the anniversary of his 100th birthday.

Since its inception, the Italian Heritage & Culture Committee of New York, Inc. has served our City as a dynamic organization in the Italian-American community, collaborating on and fostering an appreciation of Italian and Italian-American contributions to the world. The organization also conducts, sponsors and participates in activities throughout the year, with special emphasis on the celebration of Italian Heritage and Culture Month.

On behalf of the New York City Council, I would like to once again recognize the hard work and dedication of the Italian Heritage & Culture Committee of New York Inc., Board of Directors and their mission of promoting, presenting and preserving Italian and Italian-American culture in the Tri-State Area.

Very Truly Yours,

A handwritten signature in black ink that reads 'Paul A. Vallone'. The signature is fluid and cursive, with the first name 'Paul' being particularly prominent.

Hon. Paul A. Vallone
